Dear valued patient,

It is with a heavy heart that I am writing you to advise that the University of Arizona Integrative Health Center will be closing on July 29th, 2016. I have enjoyed being your physician and active partner in your overall healthcare. Thank you for being an integral part of our Center.

Over the next 30 days we will be assisting all patients in transferring their care to another physician. Below you will find a list of Integrative Physicians that are currently accepting new patients. Your medical records can either be transferred to the Physician's office of your choice or given directly to you for your personal use.

Jyoti Patel, M.D. – Fountain Hills, AZ  
Scott Jensen, M.D. - Gilbert, AZ  
Siri Chand-Khalsa, M.D. - Phoenix, AZ  
Shad Marvasti, M.D. - Phoenix, AZ

Any portion of your yearly membership that has not been utilized may be refunded. These refund checks will be mailed to the address we have on file for you. The refund checks, as well as a statement of your account, will be mailed up to 90-120 days following the closure of the clinic. If you have recently updated your mailing address please contact the Center so that we may update your account.

The IHC was an affiliation between District Medical Group and the University of Arizona Center for Integrative Medicine. District Medical Group will retain the status as the Custodian of Records for your medical records. For those of you who joined the IMPACT study, we hope to gather and publish as much useful and informative research as possible about the benefits of Integrative care.

It has been my great pleasure to provide you with excellent health care. If you have any further questions please contact the Center at 602-470-5577.
